Company Quarters F is a great meeting and craft space for groups of up to 75. This building is centrally located in the row of two-story wooden barracks and is moderately priced to accommodate any budget.

The lower floor has a wood floor and is set with tables and chairs to seat approximately 48 people. Additional seating can be brought in with prior notice. This space is recommended for crafts, indoor games or activities, or classroom activities requiring table tops.

The upper floor is an open space with carpeted floor. It is ideal as a classroom or meeting space. This space seats up to 75 people. Stacking chairs line each wall and may be arranged however best suits the group. Banquet tables and additional seating can be brought in with prior notice.

Portable classroom equipment can be brought into either space. Use of a chalkboard, TV/VCR/DVD equipment, a portable digital projector with connection cables and a screen can all be requested if these items are required.

Company Quarters F has one bathroom on the lower floor. A stairway from the upper floor leads directly to this bathroom to allow easy access from either space. This bathroom has three toilet stalls, three sinks and three showers.
