Tools for Transition:
Change, Start or Grow Your Career

This workshop will give you the tools you need:

- **Self-assessment tools** to identify the job/career that’s right for you
- Approach to creating your **strategy** – key success factor in post-2008 economy
- Development of **personal narrative and positioning** – key marketing tools to sell YOU
- Coaching on **networking and informational meetings** – 95% of jobs are found that way
- Successful **resume formats**, LinkedIn, online presence, cover letters, emails to get results
- **Tactics** to enlist help and “be a vulture where you want to work”
- **Job interview coaching**, including prep for behavioral and fad questions

What participants of Tools for Transition have to say:

“I found the tools of figuring out my interests as well as practical job hunting skills a great combination!”

“It was a great nuts and bolts, A-Z of job-searching.”

“Extremely helpful and informative. I wish I had taken this sooner.”

“Gave me new updated insights – exactly what I was looking for.”

“The workshop pulled me out of a stuck place where I had languished for too long. Now I am fully engaged in creating my future.”

“Clear, step-by-step description of how to pursue a job hunt/career change.”

“Thank you for such a thought-provoking and thorough workshop last night. I only wish I had found you sooner.”

“Three powerful hours of life-changing information – just the shot in the arm I needed to jump-start my transition.”

“Great presentation and counsel to the group. Relevant and timely, and presented empathetically.”
