Dear SPU Students:

As newly named special liaison for the *Scottish Rite Scholarship Foundation* to SPU, it is my pleasure to announce that we are once again offering the opportunity to compete for an undergraduate scholarship of up to $2000.

The minimum requirements for receiving a scholarship from the *Scottish Rite Scholarship Foundation* are that the applicant must:

- Be a US citizen
- Be a WA resident
- Be a full-time student in accredited college or university (next year too)
- Be going into the 3rd or 4th year (or 5th if required by the degree program)
- Have a 3.0 GPA
- Have community service - of some kind (documentation is important)

You'll need to fill out the application, obtain letters of recommendation and provide official transcripts.

All of this has to be done with care, following strictly the instructions on the application. Also be aware that if you are receiving any type of financial aid that deducts awards from other sources from the amount(s) it gives you, it might be irrelevant to apply. Be sure you know how you stand in that department before you go to the trouble! Loans and grants view “extra” money differently.

If you meet these minimum qualifications, contact me to schedule 15 minutes or so to discuss the scholarship and pick up the application materials. My contact information is found below my signature.

Wishing you all the best life has to offer,

Eric W. Vogt, Ph.D., 32°
