

EDUCATION: PEMCO's insurance niche

HERE ARE SEVEN WAYS PEMCO IS TAILORED FOR YOU:

1. **Rates.** You'll get a special discount on your auto and home insurance.
2. **PEMCO Foundation.** Higher education institutions benefit from PEMCO contributions. For every dollar of profit, we donate 5¢ to an extensive student scholarship program and other educational activities.
3. **You're an owner.** PEMCO is a mutual, meaning we're owned by our policyholders, not stockholders on Wall Street. *We serve you.*
4. **Local company.** Your premium payments support the local economy, because the Northwest is the only market we serve.
5. **Customer service.** You'll discover this is where we rise above the crowd. PEMCO "gets it" – you'll feel valued, cared for, and respected.
6. **Claims service.** You'll be delighted with PEMCO's fast, fair claims service. The best proof? Simply ask around. Talk to our customers, or anyone who's had a claim with us.
7. **Heritage.** A teacher founded PEMCO in 1949, and we've specialized in serving educators ever since.
