RE: ANNUAL NOTIFICATION

As autumn quarter begins, Seattle Pacific University would like to notify you of several items, particularly about the confidentiality of student records. In accordance with federal regulations mandated by the Department of Education, the University is required to annually notify students about the right to privacy of their education records, various reports and policies included on the SPU Consumer Information website.

This notice is sent for informational purposes and no action is required, however if you have questions or would like to utilize your right to request and receive a paper copy of the information provided, please contact the designated office on the Consumer Information website at http://www.spu.edu/depts/idm/consumer-info.asp.
