

## First Destination Survey: June 2014 Graduates

Updated: December 22, 2015

**Background:** Seattle Pacific University surveys bachelor degree recipients to gain feedback on their job search and placements into graduate programs. Of the 633 June 2014 graduates surveyed, 377 or 60% completed the survey. Total responses to the survey (complete and incomplete) was 392. This summary provides insights into the June 2014 bachelor degree recipients experience. Survey was administered in May 2014, August 2014, December 2014 and April 2015.

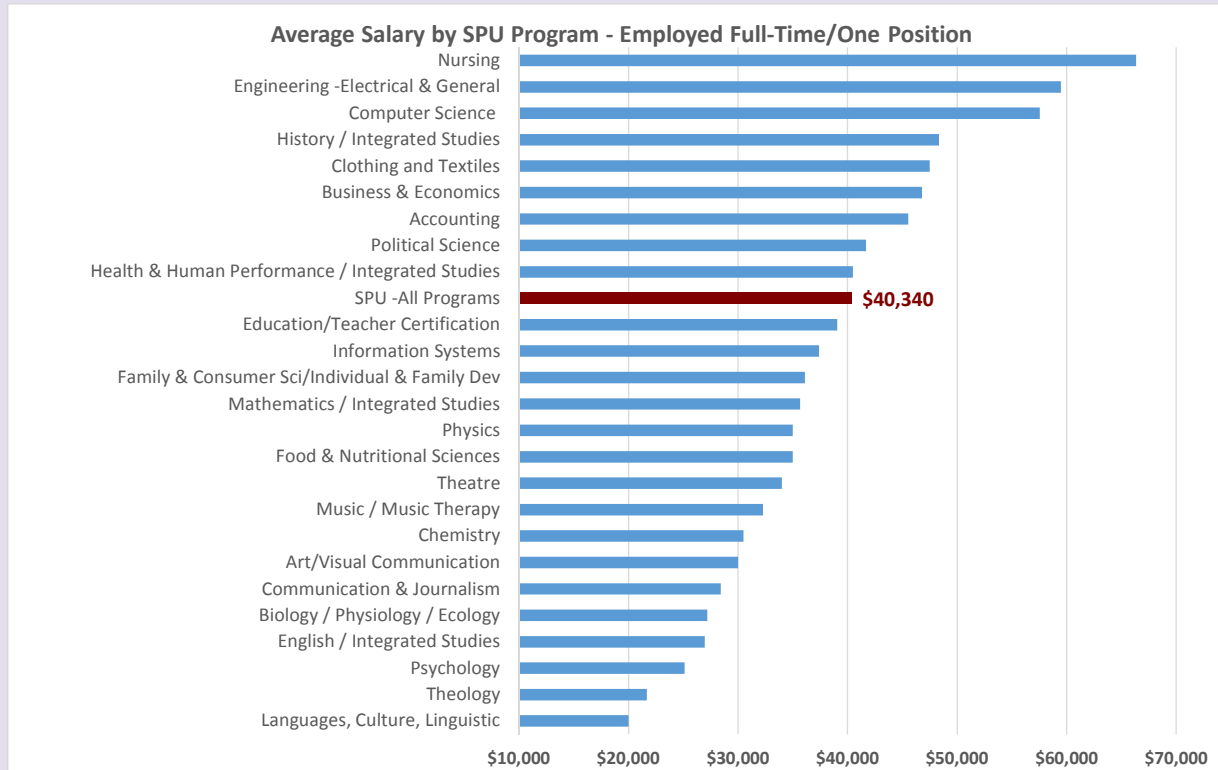

### Plans after Graduation - Primary Post-Graduation Activity

Of those who responded to this question, 78% were employed and 14% were continuing their education.

**Full-time Employment-Average Salary Reported by Major**

Students who earned Resident Teacher Certification are counted in both the Major (those with "Integrated Studies") and under Education – noted below as Special Education / Teacher Certification.
