

Job Placement and Program Satisfaction Seattle Pacific University: School of Education 2015-2016 Academic Year

Information in the following report was gathered from students who earned certificate or degree between September 1, 2015 and August 31, 2016. Two surveys were used to gather information including an end-of-program survey and completer survey. End-of-program surveys were deployed several days prior to spring graduation. Completer surveys were deployed six months after spring graduation. Average of program quality and preparation to work with diverse student populations scaled 1 - *Poor* to 5 - *Excellent*. Percentages are rounded to whole numbers.
