### Urban Involvement Weekly Schedule

**MONDAY**

**Neighborhood House Tutoring**

**Monday · 3:30–6:45 PM**

Volunteers work with refugee/immigrant students after-school to engage and empower them in their community. We not only offer homework help and tutoring, but our students work on writing projects that will help build academic skill and develop their sense of self, while shaping the community at the same time. Contact: Bethany Garcia: garciab@spu.edu

**Empowering Youth and Families Outreach**

**Tuesday · 3:30–5:30 PM**

Relationship building is the key to tutoring with EYFO. Volunteers are given the opportunity to make a difference in the lives of school children in South Seattle. Tutors are matched one-on-one with a student, helping with homework and reading. Tutors may work with elementary or middle school students. Contact: Bethany Garcia: garciab@spu.edu

**World Relief Cultural Companions**

**Tuesday · 1–5:30 PM**

Spend time with a recently-arrived refugee family supported by World Relief. Volunteers will help as conversation partners, tutors, cultural guides, and American friends to newcomers from across the globe. Contact: Michelle Ramage: ramagem@spu.edu
