Beginning **Tuesday, September 8**th, the registration window will shrink to 24 hours. This is necessary to keep the waitlist moving and to allow as many students as possible into courses. Please be checking your email daily if you have a waitlisted course on your registration for fall. If you miss your registration window once you are notified of an open spot, you will need to re-waitlist yourself for a course.

If you have any questions, please email **saswaitlist@spu.edu**.

**THIS EMAIL HAS BEEN SENT TO ALL STUDENTS REGISTERED FOR AUTUMN QUARTER, WHETHER OR NOT THEY ARE CURRENTLY WAITLISTED FOR A COURSE.**
