

Cross-Curriculum Approval

Attach this form to the Sharepoint Course Change Form if your department is making changes to courses that are cross-listed with courses in other departments/schools or if your changes will affect the programs (major, minor, certification, graduate programs) of other departments/schools.

Approval Process

Discuss your intended course change with chairs of the departments whose course or program offerings will be affected. Signatures below indicate that all parties are aware of and agree to the changes.

Initiating Department/School Representative Name: _____

Please list each course discipline, number, title and credits for the courses that are not part of your department's curriculum.
