THALBERG AWARD

Purpose: To support travel to a program, conference, workshop, or training for a graduate student to furthers his/her graduate education and special interests. Students seeking additional clinical training available in workshops or conferences such as hypnosis training, psychological assessment, various psychotherapy techniques, and specific topics related to Clinical Psychology will be considered.

Eligibility: CPY students in good standing in their 2nd year or beyond.

Funds Available: Up to $1,500 (budget must be submitted)

Application Deadline: Applications will continue to be accepted through May 1 annually.

Application Requirements: Application must include the following:

1. A cover letter outlining (a) student’s current standing in the Clinical Psychology program; (b) student’s professional interests at the time of application; and (c) future professional plans following graduation.

2. A 1-page statement by the student addressing the following:
   a. Description of the organization sponsoring the event and how it relates to the student’s professional training.
   b. Nature of the activity/event and how it contributes to the student’s professional training and future plans.
   c. If a workshop or clinical training, is the organization accepted by APA for CE credit?

3. A short memo of endorsement with rationale from the student’s advisor.

Submit Application Materials electronically to: Tamera Kennedy, Program Coordinator, Clinical Psychology Department, kennedyt@spu.edu.
