- Application due January 9, 2019 by 5:00PM.
- Submit completed application as an email attachment to sprint@spu.edu or drop it off in the John Perkins Center (2nd floor SUB).

Seattle Pacific Reach-out International equips and supports SPU students in international experiential learning trips. This year's trip will be three weeks in Colombia where students will engage in issues around community development, social change, and reconciliation. SPRINT's emphasis on pre-trip training, in-country experience, and post-trip reflection contribute to students' vocational discernment, Christian faith development, and service. SPRINT's relationships with indigenous leaders and long-term community ministries emphasize mutuality in partnership with local leaders and communities. We invite you to participate in the SPRINT process as a learner and partner in which all members contribute, learn, and grow.

Questions can be directed to either:

- SPRINT Student Coordinator Lilly Bascom (sprint@spu.edu)
- SPRINT Advisor Paul Kim (paulskim@spu.edu).
