# Loans

There are several loan options to help with costs that are not covered by your financial aid!

**Alternative loans** can be applied for by any student through the lender of your choice, however having an established, good credit history is required.

Parents of dependent undergraduate students can apply for the **Parent PLUS loan**, which is a Federal, fixed interest rate loan with deferment options.

Similarly, graduate students can apply for the **Grad PLUS loan**, which is a Federal, fixed interest rate loan with deferment options.
