

AMY MEZULIS, PH.D.
 Department of Clinical Psychology
 Seattle Pacific University
 Seattle, WA
mezulis@spu.edu
 206-383-8698

ACADEMIC DEGREES

2005	Ph.D.	Clinical Psychology – University of Wisconsin - Madison
2002	M.S.	Clinical Psychology – University of Wisconsin - Madison
1996	M.A.	Political Science – University of California - Berkeley
1994	A.B.	Government – Harvard University

PROFESSIONAL POSITIONS

Seattle Pacific University – Department of Clinical Psychology

Professor, 2019-
 Department Chair, 2017-2021
 Director of Research, 2014-17
 Associate Professor, 2013-19
 Assistant Professor, 2006-13

Joon Care

Chief Psychologist and Co-Founder, 2019-

LICENSURE

Licensed Clinical Psychologist: WA (PY00003882; since 2009), CA (#32341, since 2021)

CLINICAL AREAS OF EXPERTISE

Evidence-based and skills-focused interventions to children, adolescents, and adults with a focus on developing adaptive coping skills to manage negative emotions and tolerate stress. Specialties include cognitive-behavioral therapy (CBT) and dialectical-behavioral therapy (DBT) for the treatment of depression and other mood disorders, self-injury and suicidality, anxiety, trauma, and substance use among pre-adolescents, adolescents and young adults.

TEACHING AREAS OF EXPERTISE

Assessment and diagnosis of psychopathology; diagnostic interviewing; cognitive-behavioral therapy; learning theory and behavior change; general clinical intervention skills.

RESEARCH GRANTS AND AWARDS

2016-2019	National Institute of Mental Health 2R15MH098294-02 <i>Pathways Linking Dysregulation in the Positive Valence System with Adolescent Depression</i> Total Direct Costs: \$299,923; Role: Principal Investigator
2013-2016	National Institute of Mental Health R15MH098294-01A1 <i>Cognitive and Physiological Pathways from Temperament to Adolescent Depression</i> Total Direct Costs \$290,727; Role: Principal Investigator.
2012-2016	Scientific Research Network – Flanders (FWO, Belgium) <i>Temperamental and Cognitive Vulnerability to the Dysregulation of Affect and Behavior.</i> Role: Research Network Member.
2008-2016	Faculty Research Grants (totaling \$15,000) by Seattle Pacific University
2007-2010	National Association for Research in Schizophrenia and Depression <i>Young Investigator Award</i> (\$60,000); Role: Principal Investigator.
