

Student Parking Rates and ORCA Bus Pass Information

Any vehicle owned or operated by an SPU student or employee must be registered with the Office of Safety and Security if it is parked on the campus, or on adjacent city streets. The Office of Safety and Security will attempt to contact you via your SPU email address. If you choose to cancel your parking permit, you must notify our office in writing and return your decal within 10 days of the start of the quarter to be eligible for a refund. Students may apply for parking on our new parking web site at SPU NuPark. All passes purchased will be annual passes, but will be billed in QUARTERLY increments to your student account.

If you have any questions, please call the Office of Safety and Security at (206) 281-2922 or email SPU's Transportation Manager at eideh@spu.edu.

More information can be found on [ASSP's website](#).
