

2022-2023 Citizenship Information Sheet INSTRUCTIONS

When your Free Application for Federal Student Aid (FAFSA) was matched against the Social Security Administration (SSA) or Department of Homeland Security databases, your United States citizenship was not confirmed. You must provide Seattle Pacific University with documentation of your citizenship status to verify your eligibility for financial aid. This form must be completed in our office and cannot be completed electronically.

When you visit the SFS office, you will speak with an available SFS Coordinator at the front desk and complete the Citizenship Information Sheet with that person.

Please make sure to bring with you the necessary documentation described on the form that verifies your citizenship status or your eligible non-citizen status for federal financial aid.

If you have any questions or concerns, please contact us at 206-281-2061 or sfs-forms@spu.edu.

If you are unable to travel to campus to complete this requirement, please contact our office to explain your circumstances. After confirming your inability to complete this requirement in-person, you will be provided with a 2022-2023 Citizenship Information Sheet that is to be completed in the presence of a Notary.

If you complete this process with a Notary, please bring the following with you to your appointment:

- The necessary documentation described on the form that verifies your citizenship status or your eligible non-citizen status for federal financial aid.
- A blank copy of your “2022-2023 Citizenship Information Sheet (Notary)” form.

To complete your verification requirement, you will need to fax or mail the completed form and a copy of your citizenship/eligible non-citizen documentation to our office. Please see the header for our fax number and mailing address.
