NOTE 1: This is the recommended class rotation for the Health and Fitness major based on the 2017-18 Time Schedule. Students should keep in mind that course offerings may change at any time and adjustments to student academic plans may be necessary.

NOTE 2: This progression **does not include 4 credits of elective courses required for the Health and Fitness Education major.** These classes should be added according to student availability.

NOTE 3: This class rotation **does not include** courses which lead to Teacher Certification. These courses should be added to the student academic plan.

NOTE 4: Prerequisite for BIO 2129: CHM 1100, 1211, or 1310, or score of 35 or higher on the Chemistry placement Exam.
