

# **Apparel Design** 2021-22

## What can you do with an Apparel Design major from SPU?

The Apparel Design major at Seattle Pacific University provides you the technical skills to enter a broad range of careers within the fashion industry, and prepares you to make ethical decisions in the design, sourcing, and production of clothing.

# Potential occupations include:

Apparel Designer

Personal Stylist

Fashion Editor

Textile Quality Control Manager

Pattern Designer

• Visual Merchandiser

#### Suggested transfer preparation at Pierce College

One year of coursework, with courses carefully selected to fulfill much of SPU's <u>General Education</u> (GE) requirements -- consult the Transfer Equivalency Guide (<u>TEG</u>) to see which Bellevue College courses fulfill each requirement.

The Apparel Design major includes classes that fulfill the WKA (Ways of Knowing in the Arts) requirement, and the CUE (Cultural Understanding and Engagement) requirement.

Students may transfer with an approved transfer degree (which complete all of SPU's general education requirements except 10-15 credits of University Foundations); however, because of sequencing, courses for SPU's Apparel Design major take three years to complete.

#### Prerequisites in the major you may complete at Pierce College

Pierce College Courses	Equivalent SPU Courses	
FASH 160 Intro to Fashion Merchandising (5)	FCS 2820 Intro to the Fashion Industry (5)	
FASH 163 Consumer Textiles (5)	FCS 3830 (5) This Pierce College course transfers to as lower-division credit for the equivalent SPU course.	

#### Admission to the major

If you identify the Apparel Design major as your first choice on your application for admission to the University, you will automatically gain entry to the major when admitted to SPU.

# **Other SPU Degree Requirements**

A baccalaureate degree from SPU requires completion of at least 180 college-level quarter credits, including 60 upper-division (UD) credits.

In addition to completing a major, students must fulfill requirements in the <u>Common Curriculum</u> and <u>Exploratory Curriculum</u>, and complete <u>Foreign Language</u>, <u>CUE</u>, and <u>W</u> requirements.

Transfer students admitted to SPU with a Direct Transfer Agreement (DTA) associate degree have already fulfilled the majority of requirements listed above. However, all students, including those with a DTA, must complete the University Foundations requirement.

Students entering SPU with fewer than 90 credits complete: UFDN 1000 Christian Foundations, UFDN 2000 Christian Scriptures, and UFDN 3100 Christian Theology.

Students entering SPU with 90 credits or more complete: UFDN 3001 Christian Scriptures and UFDN 3100 Christian Theology.
