

UNDERGRADUATE COMMENCEMENT

2023

Saturday, June 10, 2023
T-Mobile Park | Seattle, Washington

Dear Graduate,

I'd like to express my sincere congratulations on your educational achievement! I'm sure there were many late nights reading, writing, prepping projects, and studying for exams when it

felt like this day would never come. And a good portion of your undergraduate studies have been punctuated by a worldwide health crisis that brought its own challenges, changes, and obstacles. But you endured, and today you stand among the Class of 2023. All of the faculty and staff assembled here — along with your family, friends, and supporters — rejoice with you at this culminating moment in your academic career. We celebrate your diligence, pursuit of excellence, and aspirations for the future.

Your presence enhanced Seattle Pacific University, and I hope you in turn can point to the Seattle Pacific community as a source of great growth spiritually, socially, and academically. This class has a wide diversity of interests and perspectives, which has brought strength to our campus community, even during times of conflict. Though today is a significant milestone, it marks only the beginning of your path in life.

Each of you leaves this University with the capacity to impact others and make a substantive difference, whether through ministry, health care, business, the arts, education, government, science, technology, or some other field. All of these pursuits can and should be energetically explored. Regardless of what lies ahead, I am confident in your competence, character, and ability to translate Christian faith into action. In your years at SPU, I have witnessed many of you tackle some of the world's greatest challenges with tenacity and a clear focus on solutions. May you go from this place with a continued focus on others and a solid foundation for a lifetime of service.

As you move into a new era as an alumna or alumnus of SPU, stay connected to your Falcon roots. They truly last a lifetime. Be sure to come back for events and stay in touch with your professors and friends; they'll offer friendship, knowledge, and perspective in the years ahead. May you also always be proud of your Seattle Pacific experience, and may this degree take you where you hope and dream to go.

God bless you on this remarkable day in your life — and in the years to come.

A handwritten signature in black ink that reads "Pete C. Menjares". The signature is fluid and cursive, with a long, sweeping underline.

Great is Thy faithfulness, O God my Father;
There is no shadow of turning with Thee;
Thou changest not, Thy compassions, they fail not;
As Thou hast been, Thou forever wilt be.

Refrain

Great is Thy faithfulness!

Great is Thy faithfulness!

Morning by morning new mercies I see.

All I have needed Thy hand hath provided;

Great is Thy faithfulness, Lord, unto me!

Summer and winter and springtime and harvest,
Sun, moon, and stars in their courses above
Join with all nature in manifold witness
To Thy great faithfulness, mercy, and love.

Refrain

Pardon for sin and a peace that endureth,
Thine own dear presence to cheer and to guide;
Strength for today and bright hope for tomorrow,
Blessings all mine, with ten thousand beside!

Refrain

Commencement Speaker

Phyllis Sortor

Born in Mozambique to missionary parents, Schools for Africa Director Phyllis Sortor received her education in Mozambique, Zimbabwe, and Seattle. She graduated from Seattle

Pacific University in 1964.

Sortor has spent most of her life in Africa, working first under Free Methodist World Missions. She has been actively fighting for the Fulani people in Nigeria for their right to receive an education, healthcare, and a peaceful way to continue their culture of raising cattle.

In 2015, Sortor was kidnapped and held for ransom by a terrorist group intent on ending her work with the Fulani. Twelve harrowing days later, by the grace of God, she was released. The amazing story of her kidnapping and release has been made into a documentary film entitled *Kidnapped Redemption*. In 2016, she retired as a Free Methodist missionary and founded Schools for Africa — which primarily serves the Fulani herdspeople she has fought so hard to protect and help educate. This past January, she returned to her beloved Nigeria to continue her work with the Fulani. Schools for Africa has built eight primary schools with over a thousand Muslim and Christian children enrolled across the country.

Sortor is Seattle Pacific University's 2023 Alumna of the Year.

History of Academic Clothing

The traditions surrounding academic regalia — gown and cap — date back to the 13th century and have their roots in clerical garments, which were the earliest form of academic attire in England. The academic gown was first used at the University of Cambridge in 1284. American universities adopted the first Intercollegiate Code of Academic Costume in 1895. The American Council on Education later standardized the use of academic regalia in 1932.

Originally adopted as a way of affirming unity in the common pursuit of learning, as well as ensuring warmth in unheated stone buildings, academic regalia is now considered traditional attire for high-ceremony academic occasions. Participants wear regalia that demonstrates — by design and color — their highest academic degree, the general discipline in which they studied, and the university from which they received their degree.

At Commencement, graduates place the tassel for their mortarboard cap on the right side, moving it to the left when their degrees are conferred. Faculty members participating in academic ceremonies wear the tassel to the left throughout the proceedings.

Seattle Pacific University proudly participates in this colorful tradition, which recognizes our part in the larger academic community and celebrates the importance of Commencement as a high ceremony.

Academic Seal and University Mace

In addition to academic clothing, Seattle Pacific University's Commencement ceremonies include two other important features. The academic seal depicts SPU's history, academics, and Christian faith. The University mace, which bears the academic seal, represents the authority of the president. The mace always precedes the president in academic high ceremonies.

Recognition and Awards

HONORS AT GRADUATION

The baccalaureate degree is conferred with honors on the basis of the student's cumulative SPU college-level grade point average. *Cum Laude* recognizes the achievement of a 3.5–3.74 grade point average and is signified by the wearing of a white honor cord; *Magna Cum Laude* recognizes the achievement of a 3.75–3.89 grade point average and is signified by the wearing of a silver honor cord; *Summa Cum Laude* recognizes the achievement of a 3.9–4.0 grade point average and is signified by the wearing of a gold honor cord. The honors that are recognized in the Commencement ceremony are based on the Seattle Pacific University grade point average at the end of Winter Quarter and are not finalized until the official awarding of the bachelor's degree.

PRESIDENT'S CITATION AWARD

The President's Citation is awarded to one graduating senior each year. The finalists and recipient of this award exemplify the mission and vision of the University, are among those with the highest academic standing in their class, and have demonstrated exceptional character, outstanding leadership, and service to the SPU community.

HONORS GRADUATES: The University Scholars

Graduates in Seattle Pacific's Honors program, the University Scholars, have completed a special sequence of accelerated, integrative, and interdisciplinary courses in the liberal arts as well as an independent Honors research project and presentation. Those who complete all Honors requirements also earn a bachelor's degree in Honors Liberal Arts.

Seattle Pacific University Alma Mater

Midst the mountains of the
Westland,
near the ocean blue,

Beacon light that shineth ever
is our SPU.

Join the chorus, waft it
onward,
until all shall view.

Standing true amid all others,
dear old SPU.
