PROFESSIONAL EXPERIENCE

Associate Professor, Industrial/Organizational Psychology Graduate Program, Seattle Pacific University, Seattle, WA

- **Associate Professor (2007-present).** Provide doctoral and masters-level training in leadership and team development, learning systems & on-the-job development, work motivation, employee selection, performance management, organizational theory, and history and systems of psychology. Manage research programs in strategic talent management, on-the-job leadership development, pastoral leadership development, and learning agility. University service includes: Chair and Member of Faculty Development Committee (2011-2014), Co-Chair of Vocation Initiative (2014 to present), Faculty Stewardship & Budget Committee (2014-present), Provost Selection Task Force (2012).
- **Director of Applied Learning and Development (2007-present).** Manage placement and internship processes for I-O doctoral and masters students including training, coaching, and networking services. Graduate placement rate of 82% in I-O-related jobs within 6 months of graduation. Placement locations have included business organizations (e.g., Amazon, Starbucks, Boeing, Microsoft, Merck, UPS), non-profit organizations (e.g., Grameen Foundation, Cocoon House, Evergreen Treatment Services), and public institutions (Seattle Public Library, Seattle City Light). Manage alumni relations with network of over 200 program alumni and local I-O professionals.
- **Adjunct Professor (2000-2007):** Provided graduate and undergraduate instruction in leadership and team development, work motivation, social psychology, and career transitions as adjunct in psychology and business departments.

President & Founder, Yost & Associates, Inc., Seattle, WA (2007-present)

- Provide consulting services in strategic planning, leadership development, culture change, transition management, assessment development, program evaluation, and competency modeling. Consulting services in strategic people management, leadership development, individual and organizational change, and talent management. Clients include Boeing, Microsoft, DHL, Heineken, Higher Education, and Churches.

Senior Research Specialist, People and Organization Capability, Microsoft Corporation, Redmond, WA (2005-2007)

- **Executive Assessment:** Managed interview-based 360-feedback assessment process for vice presidents identified with the potential to move to senior leadership positions in the company. Managed the validation strategy and process for all executive assessments in the organization.
- **Talent Management:** Conducted ongoing review of corporate leadership assessments (e.g., leadership competency ratings, leadership experience profiles, leadership derailment indicators, potential ratings, performance ratings, and employee survey ratings) to identify trends, emerging leadership development needs, and drivers of leadership effectiveness in the organization. Developed suite of metrics to assess the effectiveness of succession planning processes in the company.
- **HR Research:** Developed long-term strategic research agenda for the People & Organization Capability group based on the corporate business strategy, HR strategy, and future talent management needs in the company. Conducted research on management excellence at Microsoft and established a balanced scorecard of metrics to assess managerial effectiveness in the company.

PROFESSIONAL EXPERIENCE (CONT.)**Manager, Leadership Development, The Boeing Company, Boeing, Seattle, WA (1999-2005)**

- **Talent Management:** Managed company-wide leadership research with a focus on how leaders can leverage on-the-job development opportunities to develop themselves and others. Work included the development of resources and tools deployed company-wide including the identification and guidance on the most critical developmental experiences and roles for Boeing leaders, an interactive web site, online assessments, coaching tools, and training modules. Worked in partnership with professionals in talent management, performance management, leadership development, and managers of high potential programs.
- **Leadership Development:** Co-developed executive development programs focused on strategy, marketing, change management, leadership development, and employee engagement. Provided consulting on training program needs analysis, design, and evaluation for organizational leadership development programs.
- **Program Evaluation:** Evaluated the effectiveness of leadership development initiatives offered by the Boeing Leadership Center. Evaluation methods included post-program assessments, 360-feedback analyses, ROI assessments, and impact studies on business unit culture.

Organizational Psychologist, People Research, The Boeing Company, Seattle, WA (1996-1999)

- **Employee Surveys:** Co-managed the annual company-wide employee survey process for 200,000 Boeing employees; re-focused surveys to focus on business strategy and employee engagement. Launched the Boeing Pulse—a mid-year sample survey to assess strategic employee issues in the company.
- **Personnel Research:** Conducted special research projects for the Sr. Vice President of Human Resources including the effects of lean manufacturing on employee engagement and motivation, the role of management during mergers, the root causes of dissatisfaction in the engineering community, and the effects of work group age, gender and race diversity on employee effectiveness.
- **Organizational Development:** Launched corporate HR customer satisfaction measure to assess the effectiveness of the HR department as a strategic business partner with line management.

Management Consultant, GEICO Insurance, Washington, D.C. (1993-1996)

- **Leadership Program Design:** Managed corporate-wide needs assessment to identify critical development needs of managers within the organization. Designed and conducted managerial training in coaching, selection, on-the-job training, turnover reduction, and communication.
- **Leadership Development:** Created fast-track program to identify and develop employees with high leadership potential. Provided consulting and guidance on corporate 360-degree feedback system.
- **Selection:** Designed, administered and content-validated behavioral interviews and assessment centers for sales, service, and claims representatives. Administered assessment centers to evaluate candidates for first-line management positions via role-play, in-basket, and group discussion exercises.
- **Organizational Development:** Identified the causes of employee turnover in the organization to develop workshop and 360-degree feedback instrument for first-line managers that resulted in significant behavior changes in targeted areas and 40% reduction in turnover in participants' teams.

PROFESSIONAL EXPERIENCE (CONT.)**Research Associate, Battelle Human Affairs Research Centers, Seattle, Washington. (1986-1989)**

- **Leadership Development:** Studied leadership in Japanese nuclear maintenance teams to develop a five-day leadership training program based on research results. Participation included developing predictor and performance measures, data analysis, and technical report generation.
- **Team Development:** Studied Japanese nuclear power plant teams in training simulations to determine individual and team factors associated with effective team performance.
- **Organizational Research:** Captured "best practices" in maintenance teams within the nuclear and aerospace industries to develop nuclear power plant maintenance guidelines for the U.S. Nuclear Regulatory Commission. Investigated drug testing and drug recognition programs being used in transportation industries to develop a drug recognition training program for the Federal Urban Mass Transit Authority.
- **Survey Research/Analysis:** Analyzed worker survey data for national nuclear waste repository project in a social impact analysis for the Department of Energy.

EDUCATION

PhD Industrial/Organizational Psychology , University of Maryland at College Park, 1993-1996.
Dissertation: "A reconsideration of the utility of assessing trainee reactions when evaluating the effectiveness of training programs." Chair: Paul Hanges; Committee: Irv Goldstein, Rick Guzzo, and Benjamin Schneider.

MA Industrial/Organizational Psychology, University of Maryland at College Park, 1989-1992.
Masters Thesis: "I can't but we can - the role of individual and group expectations in individual and team performance."

BA Psychology, Seattle Pacific University, 1983-1987.
Honors Thesis: "Employee suggestion systems: Factors prerequisite to their success."

PROFESSIONAL AFFILIATIONS

- Society for Industrial and Organizational Psychology (SIOP)
- Academy of Management (AoM)
- Association for Psychological Science (APS)

PROFESSIONAL SERVICE

- SIOP Workshop Committee, 2011-2014
- SIOP Leading Edge Consortium Program Committee, 2014-2015

AWARDS

- Weter Lecture, Seattle Pacific University, 2011. *A Two-Talent Servant in a Five-Talent World: Secular and Christian Views of Human Potential*. Presented on April 18, 2011.

GRANTS

- 2012/2013 SPU SERVE Grant: Conduct career development workshops for SPU staff and conduct research on careers and calling in an age of continuous transition, \$6,370 .
