

# Career Resources for Underrepresented Students

## General Career Guidance

[First Generation Student](#) is one of the top online resources for students who are the first in their family to attend college and features content from highly respected groups such as the College Board and FinAid.org as well as a blog where university presidents, founders of education non-profits and first generation students themselves share their insights.

[Colors NW, Inc.](#) is a diversity-based multimedia publishing and diversity training consulting company whose mission is to be the Northwest's premier diversity career site.

[DiversityInc](#) is a leading online diversity publication whose mission is to provide education and clarity on the business benefits of diversity. The site hosts both career resources and a job board.

[LAGRANT Foundation](#) (TLF) addresses the lack of diversity in the fields of advertising, marketing and public relations by providing scholarships, career development workshops, professional development, mentors and internships to African American/Black, American Indian/Native American, Asian American/Pacific Islander and Hispanic/Latino undergraduate and graduate students.

## Job Search & Networking Resources

[INROADS](#) The Mission of INROADS is to develop and place talented underserved youth in business and industry, and prepare them for corporate and community leadership. INROADS is a non-profit organization founded in 1970 to fix the perceived lack of ethnic diversity in corporate America.

[Diversity Jobs](#) Search for all jobs in the USA with diversity-friendly employers.

[IMDiversity](#) is a website network focused on diversity-oriented career content, job bank tools, and online resources for the African American, Asian American, Hispanic American, Native American and Working Women's communities.

[Minority Science Careers](#) is dedicated to being the world leader in matching qualified scientists with jobs in industry, academia, and government by providing all the necessary career resources. Their mission supports the American Association for the Advancement of Science's (AAAS) commitment to furthering careers in science and technology, with an emphasis on fostering greater diversity among the scientific community.

[Quintessential Careers](#) features a comprehensive list of the best career and job sites geared especially for women and minority job seekers as well as job and career resources focused on diversity and a multicultural workforce.

[HBCU.com](#) (Historically Black Colleges & Universities) focuses on serving the needs of diverse audiences by providing a platform for networking, professional opportunities, educational opportunities and connections with savvy organizations looking to hire from or brand themselves with diverse communities.

[DiversityWorking.com](#) is a career opportunity resource and job search engine for the cultural diversity marketplace.

[Employ Diversity](#) is dedicated to providing multicultural professionals with an online venue where they can access free employment opportunities and career development information.

[MinorityJobs.net](#) has a mission to provide an easy to use and comprehensive employment site for both job seekers and employers, to ensure that no one is denied access to employment opportunities. MinorityJobs.net is sponsored by leading U.S. employers and is free for all job seekers regardless of ethnicity, gender, sexual orientation, disability, religion, age or national origin.
