FIRST DESTINATION SURVEY REPORT - INTERNAL

Class of 2017

Lee, Tammy
Office of Institutional Research

1. Background

In June 2017, the First Destination Survey was sent to 821 undergraduate students who applied to graduate for class of 2017. 730 of them were graduated and awarded a BA/BS degree. Results in this report are based on data collected between the point of graduation and 9 months after graduation.

2. Knowledge Rate

Among the 730 graduating class of 2017, 578 responded to the surveys or their post-graduation activities were obtained from web searching, with a knowledge rate of 79%. Knowledge rates by school and college are listed below.

School/College	# of responses*	Total	Knowledge rate
Division of Arts and Humanities	130	166	78%
Division of Sciences	166	213	78%
