

Integrated Studies: Language Arts Concentration

Suggested Course Sequence Sheet (2019-2020)

This is a sample schedule of sequencing for Language Arts. It assumes that a student has already fulfilled their foreign language requirement and is pursuing *elementary certification* (a separate program from the major, in red italics). Other course sequences are possible and in fact probable, since some courses are offered only **once a year** (in bold type) and some may conflict with other required courses in the time schedule. Expect to take an average of 16 credits per quarter. Please check with your faculty advisor, Dr. April Middeljans (amiddel@spu.edu), as you make plans. Note that the courses in the IS major automatically fulfill all Ways of Knowing requirements, and EDU 2100 fulfills the Ways of Engaging requirement.
